Financial Performance  Social Impact  Environmental Sustainability

Triple Bottom Line Graduate Internship

Social Enterprise Associates, a registered B Corp, is a consulting firm offering clients business acumen, managerial experience, practical research, and affordable services. The company fosters 'triple bottom line' solutions supporting entrepreneurs, their organizations, and the industries in which they operate. Specializations include New Ventures, Socially Responsible Business, Microfinance, and Non-Profit Earned Income Strategies. Engagements have spanned twenty states in the U.S. and thirty countries worldwide. More information and client list is online: www.socialenterprise.net.

Internship Description

The position offers unique flexibility to address evolving company needs & intern interests:

- Location: Virtual work or a willingness to relocate to Santa Fe, NM
- Duration: 10-wk summer engagement, on-going, or project-based
- Breadth: Focus on one client/project or gain expertise in a specific topic/skill area

The right fit and skills is most important. This position offers excellent growth potential and a chance to contribute to social and environmental change in the field of social enterprise.

Sample Projects and Responsibilities

- Visiting social enterprises in US and abroad to write case studies and provide consulting services, such as developing financing strategies.
- Modeling Social Return on Investment (SROI) to measure the effectiveness of a childhood obesity prevention program.
- Promoting adoption of international financial reporting standards for microfinance industry to improve industry transparency and investor confidence.
- Conducting market assessment and competitive strategy review for an international organic cotton association
- Business development, such as managing social media (twitter, social enterprise blog)

Qualifications

- Pursuing graduate degree (with three years professional experience and bachelor's)
- Strong written and oral skills
- Spreadsheet, database and other quantitative experience helpful
- Independent worker, ability to 'manage up' and sense of humor are helpful
- Interest and ability in relevant triple bottom line sectors

Compensation & Location

Interns will be offered a stipend up to \$500/week for full-time work and are encouraged to supplement their income with matching programs for social sector work. Some domestic and international travel is possible. Work authorization in the U.S. required.
